The Como has an in-house music system with more than 6700 songs which is updated regularly and is played throughout the venue including our function areas.

Functions held upstairs are able to organise alternate music for their function if required.

However, due to the open plan nature of the venue the lounge and foyer areas are unable to have differing music from that of the venue. The volume of the music can be adjusted throughout the function to suit your specific needs, however on busy nights some residual noise is unavoidable.

Every week on Friday and Saturday night, the Como offers an eclectic mix of house, electro & funky beats, mixed by some of Perth's best DJ's, plus other entertainment including live music and quiz nights throughout the week.

DEPOSITS

Due to high demand, we are unable to make tentative reservations or bookings for functions. Bookings will only be confirmed when the Terms and Conditions are returned to the Function Co-ordinator and a deposit of \$100.00 is received. Once the deposit is paid the area is yours. We also require a credit card authority form to be filled out and kept on file for our own insurance.

The function deposit will be subtracted from the total bill at the end of your function should there be no damage to the area. Please note any cancellations made within 14 days of your function will result in the loss of any deposit paid.

A function is not considered confirmed until the Terms and Conditions are returned and a deposit has been paid.
